

## **Klarius exhausts are the Smart choice**

**28 January 2022**

**Klarius Products has celebrated the new year by adding 30 new aftermarket exhausts, catalytic converters (CATs) and diesel particulate filters (DPFs) to its range - including CATs to fit the 2014 onwards Smart Fortwo 0.9 TCE. All parts in range are available with a 2-year warranty, a Fit First Time guarantee and next morning UK delivery.**

[See the full new range list here.](#)

New CATs feature heavily in the latest parts release. Replacements are now in range to fit the 2012-2016 Ford Fiesta 1.0 and Kuga 2.0 from 2010-2012. Multiple models of the Dacia Sandero, Logan and Dokker also have Klarius CATs available. Popular VAG vehicles from 2012 onwards receive aftermarket CAT support, including the Audi A3, Seat Leon, Skoda Octavia and Volkswagen Golf. For sportscar fans, CATs are now in range for the iconic 2005-2014 Mazda MX5 1.8 and the leftfield 2010-2013 Peugeot RCZ 2.0.

Popular diesel vehicles have new DPFs in stock too. Highlights include replacements for the BMW 116D, 118D and 318D 2.0 from 2003-2013; the Ford Focus and C-Max 1.6 for 2012-2014 models, as well as the Honda Civic 1.8 from 2008 onwards. Full exhaust systems are also in range for small Citroën and Peugeot vans, the 2012 onwards Toyota RAV4 2.2 D and a wide range of modern Volvos.

Klarius is the largest UK manufacturer of aftermarket exhausts, with the widest offering available nationwide. The range encompasses components to fit 24 million vehicles on domestic roads, totalling over

11,000 applications. Klarius provides products for vehicles of almost any make, model, age and segment

This range is constantly growing, with the Klarius research and development team regularly introducing new, high-quality parts to market. Components are tested on correct real-world vehicles, with all applicable components independently type-approved with the Vehicle Certification Agency (VCA) in the UK and the TÜV in Europe. To ensure a long service life and easy fitment, all exhausts feature a bespoke mounting kit.

Every part in the Klarius range is available with next morning delivery to distributors and stockists. Demand driven manufacturing and dynamic stocking enables equal availability for both popular and niche parts. At the same time, the company's in-house logistics operation, AutoLogistiks, ensures consistently short lead times across the entire range.
