

Spelsberg UK Announces Nationwide Roadshow and Open Day

30 March 2023

Spelsberg UK, a market leader in electrical installation and enclosure technology, is excited to announce its innovative "Spelsberg on the Road" roadshow. A state-of-the-art tour bus, equipped with a working showroom, will visit numerous locations across the country beginning late May.

This unique mobile showroom will demonstrate the company's extensive product range, offering customers an interactive and tangible experience with Spelsberg's high-quality electrical installation solutions.

The tour culminates with the Spelsberg UK Open Day on Monday, June 12, at the company's headquarters in Telford. The event will take place from 12:00pm onwards.

Customers are invited to join the Spelsberg team to experience a behind-the-scenes look at the company's operations, including tours of the UK warehouse, CNC Machine rooms, and other departments. Attendees will have the opportunity to explore Spelsberg's comprehensive range of high-quality products and solutions, interact with staff, and have their questions answered.

In addition to insights and networking opportunities, the Open Day will feature food, drinks, and the chance for one lucky attendee to win a **£100 Amazon gift card!**

Chris Lloyd, Managing Director at Spelsberg UK, said: "We are excited to meet our customers, give them a taste of our operations, and showcase our latest innovations in electrical installation and enclosure technology. We believe this tour and open day offer opportunities for us to connect and engage with our customers and the wider industry."

The Tour

The tour bus will make stops at the following venues:

- Wednesday, May 31: Rexel, Leeds
- Thursday, June 1: AA Jones, Hull
- Friday, June 2: Edmundson, York
