

Spelsberg adds enthusiasm and talent to its team with Lyndsey Griffiths

14 January 2025

Spelsberg UK, a leading name in electrical enclosures, is delighted to announce the addition of Lyndsey Griffiths to the team. Since joining the company's Telford site in 2024, Lyndsey has already become a key part of the warehouse operations.

Lyndsey brings over two decades of experience in warehousing and logistics. After joining Spelsberg through an agency, she was impressed by the company's welcoming environment and supportive team. The leadership team was, in turn, impressed by Lyndsey's enthusiasm and attitude, and she transitioned to a permanent role in less than 12 weeks.

"The people here are fantastic," Lyndsey said. "Everyone makes you feel so welcome, and the work environment is relaxed. It's been a great experience so far."

Currently, Lyndsey's role involves picking and dispatching orders and supporting assembly operations when needed. Looking ahead, she is set to begin forklift training in the new year, a step that promises to broaden her skills and enhance her contributions to the business.

Chris Lloyd, Managing Director at Spelsberg UK, said: "We're thrilled to have Lyndsey on board. Her extensive experience and enthusiasm align perfectly with our commitment to maintaining a high-performing and collaborative team."

Spelsberg's ongoing investment in talented individuals like Lyndsey underscores its dedication to fostering growth and excellence across all areas of the business.
